HOW TO FIND A CAP'S STYLE NAME

Style names are located either on the label or under the sweatband.

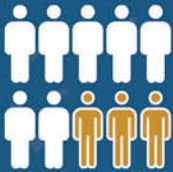

THE HEADWEAR EXPERTS.

2020 was a difficult year. Outdoor Cap's diverse business and committed employees and customers helped to see us through stronger and ready for our best year ever in 2021. For a variety of reasons, we have opted to print a smaller new style guide this year. Continue to use our 2020 catalog but look to our new style guide and digital presence for updates and relevant changes. You can count on your team here at Outdoor Cap for the same things we've always been known for, great service, deep stock, quality products and programs, and a commitment to being your partner in headwear. You'll also start to associate a few other traits with us including innovation and a brand consumers ask for by name. We are now and continue to be, The Headwear Experts. We're excited to take on 2021 with you.

Additional Program Details

Artwork Details

Embroidery and embroidered patch art files need to be in vector format (non-vector art will require additional lead-time to receive virtuals), Adobe Illustrator (.ai), encapsulated PostScript (.eps) or scalable vector graphic (.svg). Please provide size and PMS color specifications with artwork submission. Digitizing services and set up fees are free. Creating vector artwork will increase lead time and design time. Accurate re-creation cannot be guaranteed. Outdoor Cap reserves the right to alter a customers' file to deliver a quality product. Outdoor Cap will match PMS with closest matching thread and may need to alter the artwork to best fit the decoration space or decoration technique.

File Format

Embroidery and Fabric Patches: Vector art in .ai, .eps or .svg format is required. JPEG, DST or other non-vector file types will increase the lead time for sample sew out or virtual due to artwork vectorization. Accurate re-creation cannot be guaranteed.

Sublimated Patches: Vector file in .ai, .eps, .svg or raster file at least 300 dpi in .jpg, .gif, .png, .tif, .psd or .bmp format.

Leather Patches: Single color vector art in .ai, .eps or .svg format.

Production Delivery

All shipments are FOB - Bentonville, AR.

Orders must be sent via email.

Every effort will be made to ship exact quantities as ordered.

Over/under run rate of 5% is standard on all embroidered orders.

Orders over 720 pieces may require additional days. Call for lead time.

Drop shipments up to 6 locations are free, additional locations will be charged \$2.50/location (A).

Minimum of 12 pc. per drop ship location.

Changes to an order in process may be made if customer agrees to any applicable charges incurred and acknowledges delivery date will be extended.
